

Certified Nurse Practitioner

Neighborhood Health Association, an FQHC, has an Exciting opportunity for a Nurse Practitioner. You will be responsible for providing quality primary care, specific to your specialty, to NHA patients on an out-patient basis. Additionally, you are responsible for providing primary care to NHA patients on an out-patient status as part of a treatment team. General duties include conducting physicals, ordering tests, educating patients about preventive care and prescribed treatments, prescribing medications within prescriptive authority and may act as the patient's primary healthcare provider.

The Certified Nurse Practitioner is a member of the PCMH Care Team. All members of the PCMH Care Team will work cooperatively with and interact with the patients and other team members to coordinate patient care and achieve the stated patient and PCMH Team goals and objectives. PCMH goals and objectives include increased access to patient care, high quality patient care, and patient self-management of care.

We are looking for someone with at least two (2) years' experience for this opportunity.

You can also look forward to:

- Guaranteed Salary
- Great Work Hours: Monday – Friday, 8:00am – 5:00pm
- Holiday Pay
- Vacation Pay
- Sick Pay
- Education Leave
- Comprehensive Benefits Package
- Health Insurance
- Dental Insurance
- Vision Insurance
- Company Paid Life Insurance
- Continuing Education Reimbursement
- 403(b) Retirement Plan
- Federal Loan Repayment for qualified applicants
